

DD/ST# 1252-63

CONFIDENTIAL

051

28 August 1963

MEMORANDUM FOR: Members of the OSI Intelligence Board

SUBJECT: WP 663/08, "Soviet Selection for Scientific and Technical Training."

1. The subject intelligence research study has been submitted by the General Sciences Division for publication as a Scientific Intelligence Report. The OAD has reviewed the paper and has decided to hold an OSI Intelligence Board meeting to discuss it. A draft copy is attached for your consideration.

2. The paper is undergoing coordination with ORR. The proposed dissemination of the printed product is:

a. USIB Agencies

c. [REDACTED]

25X1C

b. [REDACTED]

d. Norad

25X1C

3. ACTION REQUIRED

a. That you review the proposed report and present your recommendations when the Board assembles to discuss it. Major criticisms should be in written form, and after the meeting should be turned over to either the Chief, GSD or the Chief, Program and Publications Branch, Staff.

b. That you meet at 10:00, Thursday, 5 September 1963 in room 6F33 to indicate your recommendations for further processing or for other disposition of the paper.

25X1A

[REDACTED]
Vice Chairman
OSI Intelligence Board
